NHHTA Trail Ride Division.

FROM THE SOUTH—

Take Rte 93 N to Exit 9N (Hooksett) - Take Rte 3 through Hooksett to Allenstown and take a right on Rte 28

FROM THE NORTH—

Take Rte 93 S to Exit 13 (Rte 3S) Go through Concord until you get to Allenstown and make a left on Rte 28

FOLLOW RTE 28 for about 4 miles and you will see a sign on the right for Bear Brook State Park—Take a right on Deerfield Road into the park and stay on Deerfield Rd, pass through the first Ranger Station, pass New Rye Road and continue until you see a right on Podunk Rd. There will be State Park Signs and a sign for Hayes Field. Pavement will turn to gravel and Hayes Field will be approximately 3/4 of a mile down on the right

WAIVER OF LIABILITY

Every entry at a recognized trail ride shall constitute an agreement that the person making it, and the horse, shall be subject to the constitution and the rules of NEW HAMPSHIRE HORSE & TRAIL ASSOCIATION [NHH&TA] . It shall further constitute that every horse and rider is eligible as entered, and that the owner and his/her representatives are bound by the decision of the hearing committee on any questions arising under said rules, and agree to hold harmless the ride, the NHH&TA and their officials, directors, and employees for any action taken.

I, my party, and my heirs, further agree that if any damage is occasioned by, or injury or loss occur to myself or the horse entered, or to any vehicle or other article or possession that I may send with such horse, that I will make no claims, either now or forever thereafter. I further agree to indemnify, forever, the ride, the NHH&TA Ride Committee, NHH&TA, State of New Hampshire, NH Dept of Natural and Cultural Resources/Bear Brook State Park and any property owners and any participants in the event against all claims, demands, suits, and loss or damage to any property or person caused by myself, my horse, my attendants or my vehicle.

I understand that trail riding can involve being in remote areas for extended periods of time, far from communications, transportation, and medical facilities; and that these areas may have many natural hazards which ride management cannot anticipate, identify, modify, or eliminate; that horses can be excitable, difficult to control, and unpredictable; and that accidents can happen to anyone at any time.

Signature of Rider _____ Date _____
